

FOR THOSE TRAVELERS LOOKING FOR A BETTER WAY TO GET HOME,
you can stop holding your breath.

All the souvenirs and tiny bottles of hotel shampoo are safely tucked away. Only one thing left to pack for the trip home. Now, thanks to the Western Hemisphere Travel Initiative, crossing back into the U.S. from Canada, Mexico, and the Caribbean, by land and sea, will soon be easier. Starting June 1, 2009 new document requirements will streamline the process and help secure our borders. To learn more, visit www.GetYouHome.gov.
